Moved by Randy ... Seconded by Barry CARRIED

Presidents Report: Steven welcomed the group. Was pleased to share the RAC article featuring himself. The article was about POTA and written by Don VE3BSR. It's the 5th such article in the RAC magazine and shows the club as a contributing and active group

Vice president: Paul had nothing to report at this time.

Finance: Barry reported on the finances. Bank has \$1091.62, GIC \$889. Trent gave us \$500 for help with the regatta.

Activities: Clay was looking for location for the Christmas dinner. It has since been decided to hold it on December 15th at 6pm at the Swiss Chalet on Lansdowne.

Coffee Call led to a lengthy discussion and settled that if you wanted to have a coffee call announce so on the morning PL net. The time will be at 1pm at the “Squeaky Wheel” also known as Tim Hortons on Monaghan.

Tech Report: Rick reported the new micro link was working very well and eliminate the need for an internet feed between Peterborough and Cobourg.

Clay reported the KPG repeater will be up shortly.

Fleming College may join in as a Microwave partner and this would allow for grants to advance the microwave links.

ARES Report: Martin reported that the field training exercise held in Selwin was very successful. Peterborough is the only ARES group in the area and has access to 6 repeaters.

PL NET: Nina reported the PL net was going well. Trevor VE3BM will take over doing the Friday net from BC. Paul AXT also filled in one day. Thanks to all the Net Controllers!

Clay and Randy have Internet IP phones for sale at only\$10. Email Clay to get one or if you have questions
